

ARBORTECH[®]

FORESTRY
BODIES

ARBORTECH®

STANDARD FEATURES

ARBORTECH is one of the nations leading manufacturers of forestry bodies and equipment for the green industry. In addition to producing the finest, most durable chip bodies and utility tree vehicles in the industry, **ARBORTECH** also offers:

- Faster service and lower shipping costs from our multiple manufacturing locations.
- A variety of body sizes, styles and options to meet your needs for light and medium duty trucks.
- In-stock, standard packages mounted on a variety of chassis, ready for immediate delivery!

3-year warranty

ARBORTECH protects your investment with a 3-year limited warranty.

- 3-Year Limited Warranty
- Available in 10, 11, 12, 14 and 16-foot lengths with a 96" body width.
- Flat body sides—ideal for vehicle graphics—are a strong, yet light-weight design of durable rust-resistant galvaneal steel.
- Floor is galvaneal steel with 3" structural channel.
- Tailgate is double paneled galvaneal steel.
- Ladder box with pole pruner shelf and rear lockable door.
- Body is cleaned with a high-temperature, high-pressure chemical solution and primed with a high grade automotive primer.
- Undercoating on underside of floor and toolboxes.
- Coal tar epoxy treatment on the interior of the box.
- Finish paint one color (white or black)—other colors are optional.

Shown here—standard ladder box and optional belly box.
